Wall Art Prints and a Wall Paint Color Ideas

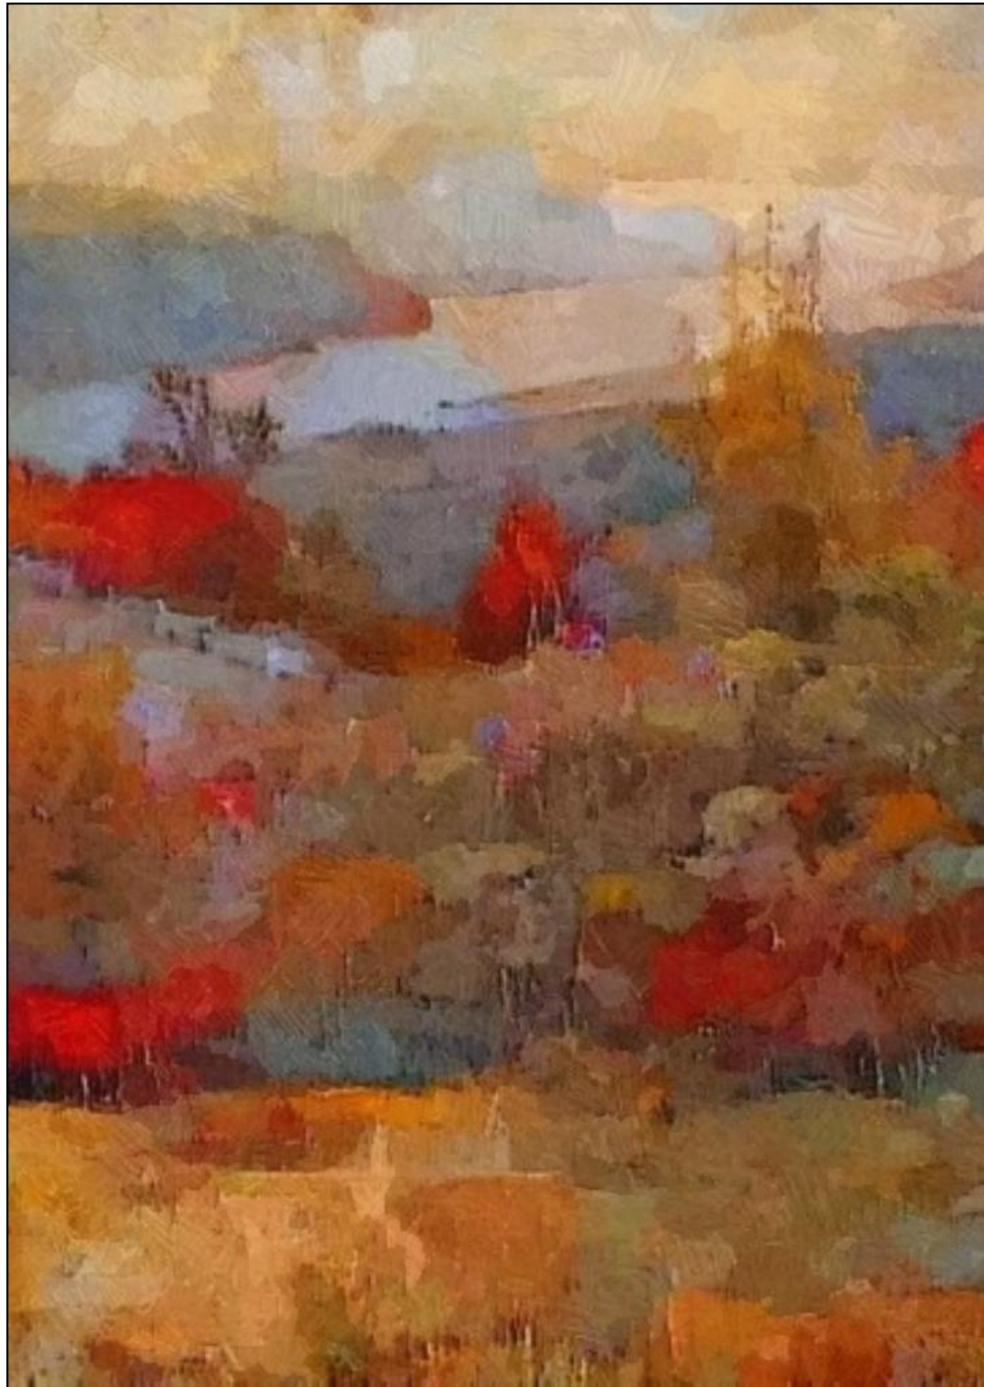

by Don Berg

The images below will print at a size that fits a standard matt or any frame for an 5"x7" photo. You'll do best if you set your computer's printer to its highest quality, use fresh ink and print on matte or low-gloss photo paper.

Scroll down to find suggested palettes of wall and accent paint colors that match the prints.

Bonfire Wall Paint Palette

Sherman Williams Grecian Ivory #7541 - Wall Paint

Sherman Williams Perfect Greige #6073 - Wall Paint

Sherman Williams Deer Valley #7720 - Wall Paint

Bonfire Accent Paint Palette

Sherman Williams Invigorate #6886 - Accent Paint

Behr Tiki Torch #M180-6 - Accent Paint

Benjamin Moore Million Dollar Red #2003-10 - Accent Paint

Sherman Williams Roycroft Copper Red #2839 - Accent Paint

The paint colors shown above are custom Sherwin Williams, Behr and Benjamin Moore mixes. They can be matched in other brands of paints at most paint shops and home centers. Don't depend on the colors shown here. Different printers, papers and computer monitors will show variations of the colors. Get manufacturers' paint chips or small samples of paint to view in your room before starting a painting project.
