Wall Art Prints and Color Ideas

by Don Berg

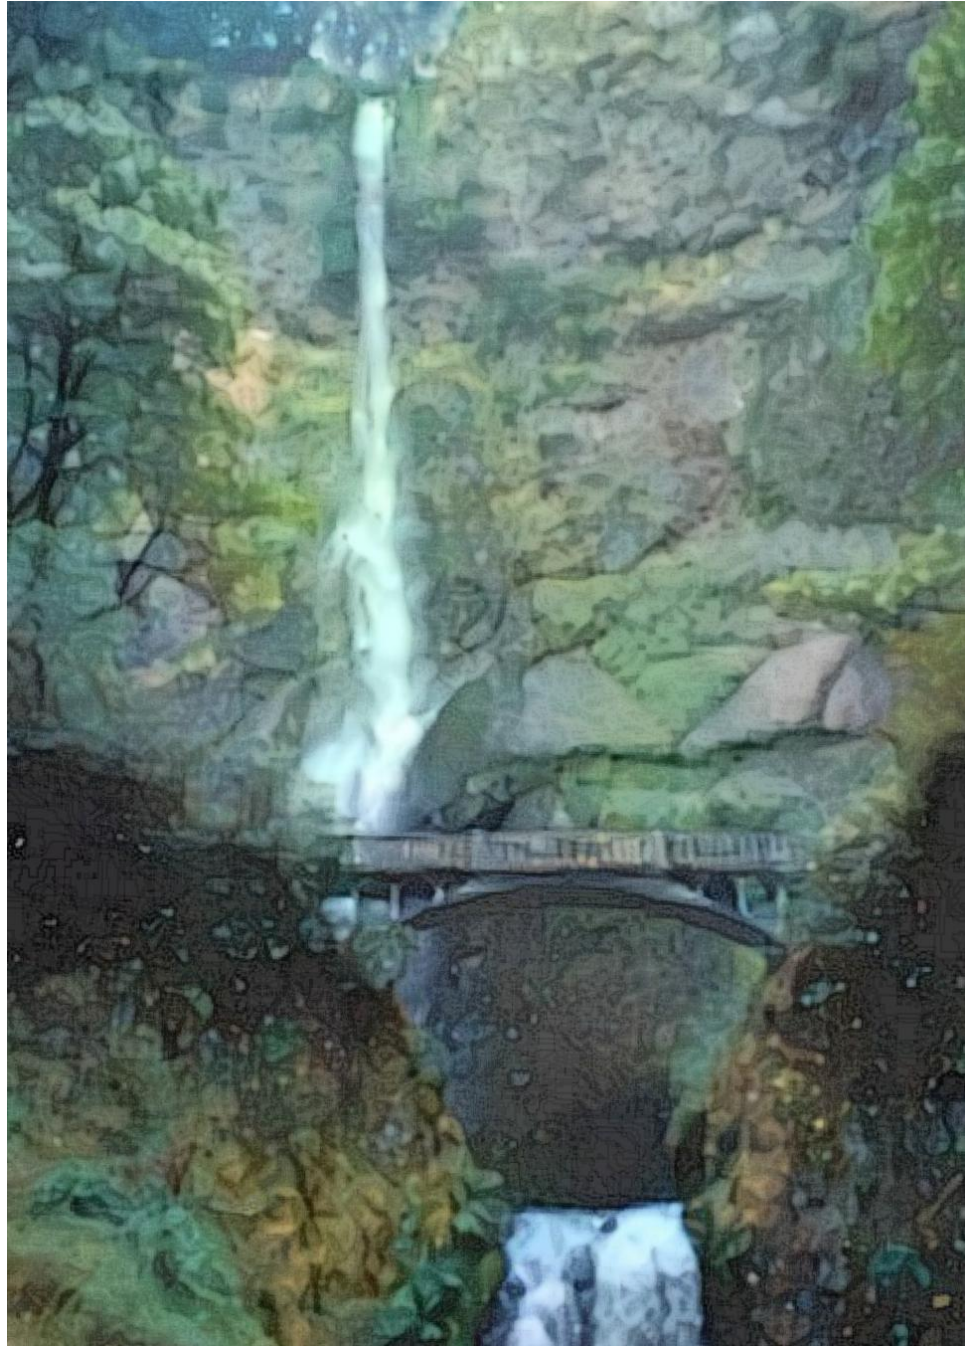

The images below will print at a size that fits a standard matt or any frame for an 5"x7" photo. You'll do best if you set your computer's printer to its highest quality, use fresh ink and print on matte or low-gloss photo paper.

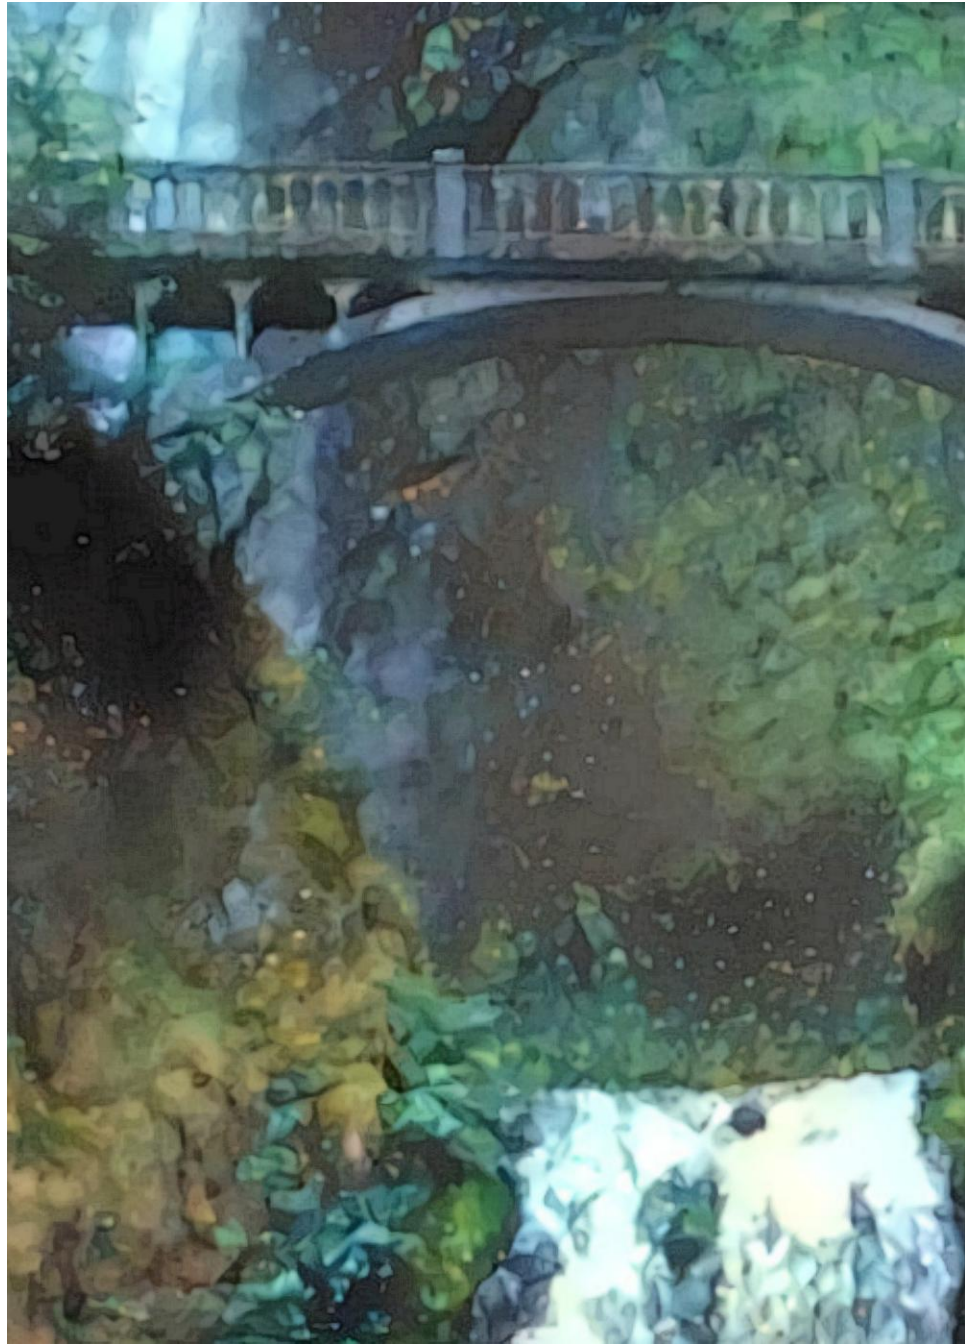

Scroll down to find suggested palettes of wall and accent paint colors that match the prints.

## *Cascade Blue Wall Paint Palette*

Sherman Williams #7562- Roman Column - Wall Paint

Sherman Williams #6511- Snowdrop - Wall Paint

Sherman Williams #6456- Slow Green - Wall Paint

Sherman Williams #6458- Restful - Wall or Accent Paint

The paint colors shown above are custom Sherwin Williams' mixes. They can be matched in other brands of paints at most paint shops and home centers. Don't depend on the colors shown here. Different printers, papers and computer monitors will show variations of the colors. Get manufacturers' paint chips or small samples of paint to view in your room before starting a painting project.

## *Cascade Blue Accent Paint Palette*

Sherman Williams #6458- Restful - Wall or Accent Paint

Sherman Williams #6486- Reflecting Pool - Accent Paint

Sherman Williams #6481- Green Bay - Accent Paint

Sherman Williams #6495- Great Falls - Accent Paint

The paint colors shown above are custom Sherwin Williams' mixes. They can be matched in other brands of paints at most paint shops and home centers. Don't depend on the colors shown here. Different printers, papers and computer monitors will show variations of the colors. Get manufacturers' paint chips or small samples of paint to view in your room before starting a painting project.
